Swimmers Eligibility

To be eligible for selection by an NPC for the 2018 World Para Swimming European Championships (50m) swimmers must:

- hold an active World Para Swimming license for the 2018 Season
- have achieved a Minimum Qualification Standard (MQS) at a World Para Swimming Recognised 50m Competition for an event on the programme between 01 January 2017 and 2 July 2018 (times are only recognised if the athlete was already licensed at the time of the achievement or has a recognised split time World/Regional record in the same length & stroke, that is included in the rankings)
- be classified with a “New”, “Review” (R) or “Confirmed” (C) sport class status

- one relay specific athlete (without MQS) can be added to the NPC Team (no participation in other events is allowed in this case) – please contact the World Para Swimming office for such addition by 26 June. There can be a different relay-specific athlete entered for the different relays on the final programme.

Note: The MQS was set on 18th place of the official European ranking list 1 January 2016- 30 June 2017. The Minimum Entry Time (MET) was set on 22th place of the official European ranking list. If there were not 18 or 22 athletes, the average time on the last two on the rankings was used as an MQS. For MQS and MET please see the list at the end of this document.

For relay events there are no MQS times, teams can be entered even without previous achievement (they will be seeded with 'no time'). NPCs that have time for their relay team from the qualification period can enter this result in the final entries.

Competition Format

The 2018 World Para Swimming European Championships will be conducted by the Single Class competition format. Only events that meet the Event Viability Criteria outlined below after the Entry by Name will be included in the Final Event Programme. Sport classes without a viable event will be able to “swim up” to the nearest single class event included in the Programme. These sport classes will be considered Eligible Classes for the respective single class event, and medals will be not allocated separately for these Eligible Classes.

Event Viability Criteria

Individual events will be considered viable if they have a minimum of six (6) eligible swimmers from three (3) NPCs entered through the Entry by Name. For classes S1-2 five (5) eligible athletes from two (2) NPCs through Entry by Name is required.

Relay events will be considered viable if they have a minimum of four (4) eligible NPCs entered through the Entry by Name.

Maximum Entry per NPC

NPCs can enter a maximum of three (3) eligible swimmers per medal event if all have met the MQS. If there is more than one eligible class in the single sport class event, a maximum of five (5) swimmers per event can be entered per each NPC. However, only a maximum of three (3) swimmers per each eligible sport class can be entered if all met the MQS.

NPCs can enter their athletes that have met at least one (1) MQS in an unlimited number of events providing they meet the Minimum Entry Time (MET) for the additional events.

Medals

Medals will be awarded to the first three (3) athletes finishing the event (regardless of the sport class).

In the exceptional case an event is completed by only three (3) or fewer swimmers medals will be awarded following the “minus one rule”.

Swimwear

Regulations outlined in the World Para Swimming Rules and Regulations 2018-2021* will apply; swimwear (caps, goggles and swimsuits) must be from the approved list.

Advertising

Regulations outlined in the World Para Swimming Rules and Regulations 2018-2021* will apply. World Para Swimming might identify the sponsor to be put on a certain side of the caps and in this case communicate this to the NPCs latest by 13 May 2018.
